

Description:

The World Public Library Association is the world's largest aggregator of eBooks. Founded in 1996, the World Public Library Association is a global coordinated effort to preserve and disseminate historical books, classic works of literature, serials, bibliographies, dictionaries, encyclopedias, and other heritage works in a number of languages and countries around the world. World Public Library is a IRC 501(c)(4) Organization, organized Not for profit, but operated exclusively for the promotion of social welfare. Our mission is to serve and aid the public, students, and educators, by providing the world's most complete collection of electronic books, documents, and articles online, as well as offer a variety of services and resources that support and strengthen the instructional programs of education, elementary through post-baccalaureate studies.

World eBook Library is the only source of more than 2.000.000 Digitally Enhanced eBook editions for library academic research. These editions preserve the original look of the scanned books and are optimized for download in mobile devices and integration into the library's catalog. The list is comprised of the most influential books of the last 1000 years including titles such as:
